

ANIMALIA

FROM FINS
•
TO FEATHERS

THREE DAY WORKSHOP – MAY 5-7, 2023
9:30 TO 3:30 EACH DAY

Learn how to turn photographs of animals into treasured portraiture. We will cover composition, structure, values, brushwork and color techniques using reference images to find the essence of the scene.

COMPOSITION – Judicious cropping – what background details are useful for describing habitat

VALUES – Adjusting the shadows to create colorful artwork

BRUSHWORK – From feathers to fur, how to simplify and interpret these important details
